

INSTANT SHADE UMBRELLAS

PARAFLEX / CANTINA Wall Mount Umbrella

2.7m Hexagonal Umbrella

The Paraflex unique system removes the need for a heavy base and central pole, and is perfect for those 'tight' areas. One attachment to the wall of a side pole.

The flexible arms and tilting canopy allow you to create the shade where you want, independent of the sun's position. Paraflex has a modern design, is robust and still very easy to handle. Paraflex wall mounted umbrellas, worldwide proven quality, both for commercial and private use. The shade always close at hand.....
